# **ARTS CLUB**

**2021 – 2022**

An art is envisaged to be an integral part of life. Art is the expression or application of human creative skill and imagination, typically in a visual form such as painting or sculpture, producing works to be appreciated primarily for their beauty or emotional power. It is a diverse range of human activities in creating visual, auditory or performing artefacts- artworks, expressing the authors imaginative or technical skill, intended to be appreciated for their beauty or emotional power.

Out of the various clubs in our college, arts club is one among them. All the hundred student teachers are members of this club. It helps its members to develop an aesthetic sense. It provides an opportunity to the students to let their imagination run wild and provides them with the sight to see things in a different way. Students learn from one another and share their prowess in different aspects of art. Some of the events that were held under Arts club in the recent past are: Athapookalam, Singing, Dancing, Cooking, Fancy dress, Mime, Hair-Do.

Thus art can be a powerful means to express deep truths. It can cause the students to rethink things and grow. It helps the students to explore different cultures and ideas, making them think about the world in a new way.
